

Group Picks Local Pastor as Leader

The recent convention of the California State Association of Christian Churches held at the Baptist Church here in Walteria was a great success, with a very large crowd in attendance. The Walteria church was honored when their minister, Rev. Andrew Duty, was elected as moderator for the association for the coming year. One of the members of the Walteria church, Charles Lilly, was elected treasurer for the association. Seems the convention in a way became a community project since the

banquet was held in the Assembly of God Church on Hawthorne Blvd. and two of the evening meetings were held in the Methodist Church.

Mr. and Mrs. Robert Cramer of Los Codona Ave. spent a very pleasant and interesting evening last Thursday when they attended a dinner held at the chemical laboratory group of the Standard Oil Company. The dinner was held at the Rod and Gun Club in El Segundo, and was in the form of delicious steaks with the trimmings. After the meal, colored slides were shown by six of the men on the subject of vacation trips each had taken during the summer. Slides included trips to various parts of the United States and to Mexico.

Frank Trantham of Ward St. is up and around again after having been very ill with a mild case of pneumonia which kept him in bed for almost a week.

Girl Scout Troop 892 had a lot of fun last Saturday night when they prepared a lovely dinner for themselves. On Saturday morning the girls went to Mrs. Wrigley's home and started their dinner, and then in the afternoon they went to Mrs. George Olding's home where they finished preparing the meal and then enjoyed same. The girls demonstrated that they are fast becoming capable cooks by making delicious Irish stew, salmon and coffee cake for dessert. Apple cider made a nice accompaniment to the dinner.

A very lovely surprise stork shower was given at the home of Mrs. Gloria DeCaro, Danaba St., on Wednesday, Nov. 11, in honor of Mrs. Shirley Melville of Manhattan Beach. Twenty-six guests came to bring lovely gifts and enjoy an evening of entertaining games. Local ladies attending were Dorothy Taylor, Eva Bowen, Angie Cooper, Claire Gail, and Estelle Lupin. The centerpiece for the table was a huge stork, and the nutcups, napkins, etc. were all carried out in the form of baby saques. The three cakes were all done in the shape of baby saques, and decorated beautifully by Mrs. Gerie Bowen. After the many games, 10 prizes were given out, and the ladies then settled down to chat and enjoy cake and coffee. The shower was, by the way, a complete surprise for the honoree. Needless to say, there was really a shower of very lovely gifts.

OIL CENTERS
There are about 350 major oil refineries in the United States.
